

**AFFIDAVIT IN SUPPORT OF A  
CRIMINAL COMPLAINT**

I, Carolyn Amber Gale, a Special Agent with the Federal Bureau of Investigation (FBI),  
being first duly sworn, hereby depose and state as follows:

**INTRODUCTION AND AGENT BACKGROUND**

1. I make this affidavit in support of an application for an Arrest Warrant for JAMES PATRICK GIANNAKOS, JR, address of 1316 Misty Lane, Gilbert, South Carolina 29054.

2. I am a Special Agent with the FBI and have been so employed since October 27, 2019. During my training at the FBI Academy, Quantico, Virginia, and through my experience as a Special Agent, I have received education in a variety of investigative and legal matters, including the topics of Fourth Amendment searches and seizures, the drafting of search warrant affidavits, and probable cause. I am currently assigned to the Joint Terrorism Task Force (JTTF) in the Columbia Division where I am tasked with investigating terrorism-related crimes. Prior to joining the FBI, I served as a patrol deputy with the Stafford County Sheriff's Office in Virginia. I received a Bachelor's Degree in Criminal Justice and a Master's Degree in Criminal Justice—Forensic Psychology.

3. As a federal agent, I am authorized to investigate violations of the laws of the United States and to execute warrants issued under the authority of the United States. The information contained in this affidavit is based on my knowledge of the investigation and information provided by other law enforcement officers. Because this affidavit is being submitted for the limited purpose of securing an arrest warrant, I have not included each and every fact known to me concerning this investigation. I have set forth only the facts that I believe are necessary to establish probable cause that GIANNAKOS did commit acts in violation of Title 18 U.S.C. §

875(c) (transmitting in interstate commerce any communication containing a threat to injure the person of another).

4. When I assert that a communication was made on a certain date, I mean that the communication was made “on or about” that date.

### **PROBABLE CAUSE**

5. In January 2021, multiple media platforms published publicly available articles that disclosed information about Enrique Tarrio, the leader of Proud Boys<sup>1</sup>, providing information to law enforcement to aid in the incarceration of numerous individuals. According to the articles, a former Assistant United States Attorney (AUSA) indicated that the information Tarrio provided to authorities led to the prosecution of approximately 13 individuals.

6. On January 27, 2020, the former AUSA contacted FBI Miami to report two “hate” e-mails she received from unknown individuals. Additionally, the former AUSA reported that the management of her law firm, had received voicemails from individuals who were upset over her continued employment with the law firm.

7. On January 28, 2021, FBI Miami was contacted to report a threatening voicemail received from phone number 803-317-8887. The following is a transcription of the voicemail left for the former AUSA:

- a. “Miss (name known to the FBI), my name’s James. I just wanted you to know that if anything happens to Mr. Enrique Tarrio, the same thing will happen to you and your family. I cannot believe you released the CI information, if that’s even true.

<sup>1</sup> Proud Boys is an extremist right-wing group that has gained a reputation for leading protests that often turned violent in cities such as Washington, D. C. and Portland, Oregon.

If anything happens to him, I promise you and your associates will pay for it. You will be held responsible.”

8. On February 1, 2021, I interviewed the former AUSA, she stated that she was “terrified” for her safety and the safety of her children. After receiving the threatening voicemail, the former AUSA ran into a meeting to inform others of how scared she was. Additionally, her law firm added security cameras for protection, and she has requested Miami Police Department protect her residence.

9. On January 29, 2021, of the General Counsel for for the former AUSA’s law firm contacted FBI Miami to report additional threatening voicemails that were left on the answering machines of several other employees. 10. Following the initial call to the former AUSA, FBI Miami submitted an exigent request to T-Mobile to release subscriber information for 803-317-8887. The records provided

from T-Mobile indicated Sabrina Cubera of 1316 Misty Lane, Gilbert, South Carolina 29054 is the subscriber for 803-317-8887. T-Mobile also indicated the phone pinged within two miles of Cubera's address on or about January 28, 2021.

11. FBI Columbia conducted database checks and determined that Cubera has a close associate named JAMES PATRICK GIANNAKOS, JR. Further records checks indicated GIANNAKOS resides with Cubera on Misty Lane.

12. On February 1, 2021, I called 803-317-8887, a male believed to be by GIANNAKOS answered the number.

13. On February 1, 2021, a Special Agent with the FBI knocked on the listed address and GIANNOKOS answered the door.

14. A search of GIANNAKOS' criminal record shows that he has been previously convicted of Assault and Battery of a High and Aggravated Nature.

15. Surveillance on GIANNAKOS indicates that he is unemployed and spends a large amount of time at the Gilbert address, while Cubera appears to be employed with Prisma.

#### **SUMMARY**

16. I respectfully submit that there is probable cause to believe that JAMES PATRICK GIANNAKOS, JR. is in violation of Title 18 U.S.C. § 875(c)—transmitting in interstate commerce any communication containing a threat to injure the person of another. GIANNAKOS identified himself on multiple voicemails he made using a phone registered to a cohabitant (Cubera). The voicemails threatened the former AUSA, her family and associates.
